

Westchester Library System has loaned **Hendrick Hudson Free Library** Chromebook laptops, along with mobile hotspots, for our patrons to check out! See details below:

HHFL cardholders in good standing (no fines, overdue items, etc.) can check out a Chromebook and Mobile Hotspot.

The loan is for three weeks with one renewal allowed.

They cannot be placed on hold or reserved in advance--first-come, first served.

They cannot be returned to another library; nor dropped off in the drop box.

Once returned, the Chromebooks will be cleared out of all personal data before another patron can check them out.

Visit the Reference Desk to check one out today!

*We continue to offer public computers and internet on premise at the library.
