

HENDRICK HUDSON FREE LIBRARY TEMPORARY SAFETY PRACTICES POLICY

The Hendrick Hudson Free Library is committed to serving its community during good times and bad. To continue serving our patrons during this difficult time, while placing the health and safety of our community at the forefront, the Library Board of Trustees has adopted the following Temporary Safety Practices Policy.

The safety measures in this policy have been confirmed as compliant with the Executive Order 202.17 of New York State Executive Office and the CDC.

The board's authority to adopt these measures is found in our charter, bylaws, New York Education Law, and 8 NYCRR 90.2. We also consider it our duty to develop these measures to keep our services accessible at this time.

Staff at the Hendrick Hudson Free Library have the authority to enforce these measures like any other of the Library's Rules. Concerns about this policy should be brought to the attention of the Director, Jill Davis.

This policy will be reviewed periodically by the Library Director, Business Manager and/or additional staff as appropriate.
