

HENDRICK HUDSON FREE LIBRARY CONSTANCE DYCKMAN COMMUNITY ROOM POLICY

Mission Statement:

The mission of the Hendrick Hudson Free Library is to be a community destination for social, cultural and lifelong learning for those of all ages and stages.

Policy:

The Board of Trustees makes The Community Room available for uses that will enhance the Library's role as an essential community resource. Programs scheduled in the Library's facilities shall not impede the delivery of regular public Library service.

- Permission to use the Community Room does not constitute Library endorsement of the policies, beliefs or goals of the program sponsor, nor shall any advertisement or publicity indicate endorsement or sponsorship by the Library without prior approval of the Board of Trustees, the Library Director or his/her designee.
- The Library Director or his/her designee reserves the right to approve or disapprove each application for the use of the Community Room. They may impose added restrictions which they in their sole discretion deem appropriate for a particular program or use. The Library Director or his/her designee shall implement the regulations and requirements for the use of the Community Room consistent with this Board-approved policy.
- The Library Director or his/her designee may deny, rescind, or cancel any application when it is deemed to be in the interest of the Library to do so. Failure to observe regulations governing the use of the community rooms may result in denial of use in the future.
