The Children's Room is hatching chicks (again)!

The Children's Room chicken stream will be live on April 29th when our eggs arrive! You can follow along in real time as our chicken eggs incubate. For the next 20 days our chicks will continue to grow and develop in our incubator. Approximately May 20th is our hatch date, so be sure to tune in that day to see our chicks emerge! We will have our chickens until May 30th. Check our online calendar and social media for upcoming meet and greet dates.
