

## Instructions for Book Vases

- 1) Open book to the middle page.
- 2) Count five (5) pages to the left of center.
- 3) Cut the five pages in half horizontally.
- 4) Put a strip of glue along the outer edge of first page cut and fold all five pages in half towards the book binding to glue in place.
- 5) Repeat steps 2 through 4 two more times.
- 6) Repeat steps 2 through 5 two times but on the right side of center instead of the left.
- 7) You should now have five paper “vases” in total.
- 8) Fill the three center “vases” with flowers, greenery, and ribbon. Leave the outer two “vases” empty—or fill if desired, but it might be too much depending on the size of the book. There is no need to glue the flowers in place. This will allow you to change flowers seasonally as desired.
- 9) Enjoy!
