

Welcome to
the

Seed Library

- Anyone can take seeds regardless of Library card status or residency. Please take what you will use and leave seeds for others.
- Browse the seed library drawers to find seeds you are interested in growing.
- Select your seeds then place them in a provided envelope. Return the rest of the seed packet to the drawer you found them in. Please keep the seeds in order.
- Use the sign out sheet on the clipboard to record how many kinds of seeds you are taking.
- Not sure of next steps? Use the QR code to see growing instructions or check out one of the books on display.
- Bring your seeds home to plant!
- Please respect this space and keep the area tidy.
- If you want, harvest seeds at the end of the season and drop them off at the Library.
